

**SAN
MARINO
SCHOOLS
FOUNDATION**
Inspiring Excellence.

THE PRESIDENT'S LETTER

Dear Community, Parents, and Friends,

As parents of children in the San Marino School District, Eva and I have come to appreciate the importance that schools of the highest standards can have, not just on the lives of our children, but on the whole community. Many of us recognize that regardless of whatever else we may do or achieve now, successfully passing life's baton to well-prepared children is our first priority. Our partners in this goal are the teachers and staff who we entrust daily to educate our children and prepare them to meet tomorrow's challenges head on. This Annual Report is dedicated to all our teachers.

For the San Marino Schools Foundation ("SMSF") our community's children are our first priority too. Today, our students compete for college and life opportunities with others both nationally and internationally. Continuing to achieve academic excellence and provide advantages to our children in the current public school funding climate is a constant challenge. With government education funding both insufficient and uncertain, our community must reliably step forward each and every year to "close the gap."

Throughout its 36-year history, community generosity has allowed the Foundation to provide over 45 million dollars benefiting the students of the San Marino Unified School District. The Foundation serves as a vital conduit between our community and the School District to raise private funds and deploy these to their highest and best use.

The Foundation focuses the support and resources of San Marino's parents, residents, businesses and community organizations directly to the place that makes the biggest impact on our children: hiring additional teachers. Donations to SMSF funded 25 teachers across our four campuses, teachers the District would not have been able to retain otherwise. This resulted in smaller class sizes and broader, innovative curriculum offerings.

This year, we also completed the first year of our Community and Business Partnership program, whereby businesses and realtors showed their support of our local schools through the Banner Campaign on Huntington Drive. We greatly appreciate this community-wide effort.

San Marino's schools are the hallmark of our city. Generations of students have passed through our District's classrooms, then to college and on to later success. San Marino's civic reputation and strong real estate market have continuously risen in part on the extraordinary quality of its public schools, with many families choosing San Marino specifically for the excellent education their children will receive. We are justifiably proud of our public schools, and are very thankful for the foresight and generosity of those who have preceded us.

With our District's ongoing success it is easy for us to become complacent. However, we cannot take our incredible schools for granted. Every year, a robust and generous Annual Campaign is essential to the District and to our children. To that end, this year:

- **THE FOUNDATION ASKS FOR 100% PARTICIPATION** of all families with children attending the schools. A donation of \$2,500 per child will "close-the-gap" between government funding and academic excellence. Make your donation or pledge during online First Day Packets which begins August 3, 2016. Please help us get the school year off to a great start!
- **FOR THOSE WITHOUT CHILDREN IN OUR SCHOOLS**, we need community-wide support from both residents and businesses. We are asking for a \$1,000 contribution which can be made immediately online at our website or by mailing in a check in the enclosed return envelope. Your generosity is an investment in our children and will ensure our continued strong housing market.

The following pages feature the stories of educators that exemplify the energy, experience and enthusiasm of all those who shape the lives of our children. They are profiles of inspiring excellence which should inspire us all. The philanthropy of donors to the Foundation represents a 36-year tradition of giving back to the community while paying it forward. Our children benefit, as does the next generation. Thank you for being a part of this culture of giving. Please renew your support and invite others to help us reach our goal of 100% participation in our Annual Campaign.

John Simpson, President

會長致信

親愛的聖瑪利諾社區的家長和朋友們：

作為聖瑪利諾學區的學生家長，伊娃和我都深感聖瑪利諾學校對社區的重要性。如此高水準的教育資源不但讓我們的孩子們受益終生，對整個社區也同樣具有深遠的影響。很多家長已經意識到，無論是已經做到的還是仍在努力的事情，讓孩子們有準備地面對人生挑戰是我們的首要任務。陪伴家長們一起不懈努力的是值得我們信賴的教師和學校工作人員們。這份年度報告獻給辛勤工作的教職員工們。

對於聖瑪利諾學校基金會來說，為社區內的孩子們服務是我們的首要任務。今天，我們的畢業生們在完成大學深造後，以過人的競爭力在美國和世界各地開創事業。然而，在保持高水準的教育水平的同時，我們也不得不面對政府經費投入不足的巨大挑戰。這也是為什麼學區必須年復一年的依靠社區本身的力量和努力來減輕經費短缺的壓力。

過去的三十六年裡，在社區人士的慷慨捐助下，基金會已經為學區內的教師和學生們累計提供了超過四千五百萬美金的款項。基金會已成為一個非常重要的渠道，在這裡籌集到的所有捐贈均被最有效地投入到學區，以保證高品質教學的需要。

基金會募得的款項主要來自學區內的家長、居民、商家和社區機構等與學區息息相關的個人和組織。籌集的款項均直接投入到對孩子們學業最有影響的地方，如：聘請教師等。以今年為例，聖瑪利諾學區基金會幫助學區內的四所學校聘請了二十五名教師。沒有基金會的支持，學區沒有能力增聘這些老師來減少班級人數和豐富教學內容。

今年，基金會也實現了一個新的社區商業合作計劃，即企業和房地產經紀可以通過在杭停頓大道兩邊的橫幅來表達他們對學區和學校的支持。這是基金會的首次嘗試，再次感謝整個社區對此次活動的廣泛支持和參與。

聖瑪利諾學區一直以擁有優質的學校聞名，同時也是整個城市和社區的驕傲。一代又一代的學子們從聖瑪利諾的學校畢業，進入美國著名的高等學府，並踏上成功的職業道路。聖瑪利諾的社區聲譽與房價一起持續攀升，搬入這個社區的家庭都以行動展現了對孩子教育的重視。我們以聖瑪利諾的學校為榮，並由衷地感謝多年來所前人們為學區和學校的慷慨捐助和無私付出。

學區的持續成功很容易讓我們變得自滿，認為學區好是理所當然的。然而，每一年您對基金會年度籌款活動的慷慨捐助對孩子們都是如此重要。為此，今年：

我們希望能夠達到百分之百的學區家長參與率，請為家中的每一位孩子捐款\$2,500美金用來支付政府撥款的缺口。請家長們在網上填寫開學資料袋（First Day Packet）的同時做出捐款的承諾。2016-2017學年的開學資料袋將於8月3日在網上發布。請您和我們一起努力，讓新學年有一個良好的開始！

對於那些家中沒有孩子在聖瑪利諾學區就讀的社區人士和企業，我們也同樣需要您的幫助。我們請您以個人或企業的名義為基金會捐款\$1,000美金。您可以隨時在基金會的網站上捐出款項，或者將支票放進回執信封裡寄回。您的慷慨捐助將是最好的投資，這不但可以讓社區的孩子們受益，更可以讓聖瑪利諾學區的房價持續上漲。

教育專家們在此也分享了他們的故事，您可以感受到他們將自己全部的精力、熱情和經驗用來鑄造孩子們的未來。這些故事是如此感人，也激勵我們做到最好。回饋社區、為學區基金會持續捐款是聖瑪利諾三十六年以來的優良傳統，一代又一代的學子們已經或正在從中受益。感謝您的認可和參與，請邀請您的親朋好友和您一起支持聖瑪利諾學區基金會，讓我們實現社區百分百參與的年度籌款目標。

John Simpson, 會長

LIZ HOLLINGSWORTH

CARVER ELEMENTARY SCHOOL

“Foundation support helps hire more teachers so the class sizes are wonderful. This means every child’s needs can be met. Teachers can support students needing more attention and challenge the higher achievers... the teachers can know every child”

FOUR YEARS AGO, during a trip to England with her husband Mike, Carver School’s Principal, Liz Hollingsworth, discovered that the British address their school leaders as “Head Teacher.” She immediately recognized that this expression captured her approach to the role. During thirty-eight years in education, with over two decades as Carver’s principal, she has always considered herself a teacher first. Whether she is consensus building with colleagues, parents or community leaders, team building with her fellow teachers, learning and implementing new teaching methods and programs, or reading to a group of first graders, she is always “teaching first.”

HER DEDICATION is second nature. Since age eight or nine she knew the classroom was where she wished to be. Two of her grandparents were life-long educators. Besides being Assistant Principal at Pasadena High School her grandfather also served on the Board of Trustees at PCC. With a twinkle in her eye, she even jokes that as the oldest of four children she practiced on her siblings.

MRS. HOLLINGSWORTH also recognizes that same spirit and commitment in the teachers she leads at Carver. Working together in teams by grade level, the teachers support one another and master teachers mentor the newer members of the faculty. On one Saturday, late in the year, she noted that ten to twelve teachers came by campus putting in extra time to prepare classrooms for Monday, check student work or review lesson plans.

TODAY, THE PRINCIPAL’S OFFICE occupies the same space as her first classroom. As she retires, this long-time Foundation supporter is confident that with continuing community commitment, teaching will always come first for all of San Marino’s children.

98th

PERCENTILE

Both Carver and Valentine Elementary Schools ranked in the top 2% statewide on standardized test scores.

— California Department of Education

THE SUGGESTED DONATION OF \$2,500 per student, in addition to the homeowner’s parcel tax, is far less than any private school tuition which locally ranges from \$18,700 – 34,800 per year.

SAN MARINO SCHOOLS FOUNDATION
Inspiring Excellence.

LISA GOYCO

VALENTINE ELEMENTARY SCHOOL

"I see myself as a facilitator...I guide my students' learning by asking them questions, not by giving them answers... along the way we are fortunate to develop wonderful relationships with these students."

WHERE IS EDUCATION GOING? Simply visit Lisa Goyco's second grade classroom to find out. Teaching has become more

collaborative and less top down. It reflects the real world that students will enter. Teachers collaborate with the students who in turn collaborate with each other. Everyone learns together. Ms. Goyco offers, "The teacher's role is no longer, 'I'm here to teach you everything you need to know.' Instead we are guiding their thinking, but not telling them answers...as a teacher you consider each question you want them to answer and the next step in the lesson you want them to think about and achieve."

NEAR THE SCHOOL YEAR'S END, her students made trading cards depicting famous Americans. Not long ago, this would have been individual work with students coloring and cutting out worksheets at their desks then copying information from the board. Today, it is done in teams with students breaking into small groups, selecting leaders, delegating responsibilities, searching curated links on the classroom's home page and discussing biographical highlights to choose four which make the individual noteworthy. Then they assemble the information, design the cards and finally share the finished results with their fellow students. Step-by-step, Lisa visits each group's table to assess their progress. She guides their learning by asking questions. Once home, these projects hold a familiarity from parent's memory, but today the lessons learned are far broader and more complex.

WITHOUT SMALLER CLASSES such intensive and effective collaborative learning is impossible. The San Marino Schools Foundation's support of smaller classes makes this learning dynamic a reality.

25

additional San Marino teachers were supported by your generous donations to The San Marino Schools Foundation in 2015-2016.

SMSF PROVIDES APPROXIMATELY \$2,000,000 per year to the San Marino Unified School District, enough to pay the salaries of over 15% of the District's teachers this past year.

CYNTHIA WONG

HUNTINGTON MIDDLE SCHOOL

“At Huntington School, the science students are so enthusiastic, they have a real buy-in and are filled with such curiosity...there is a real joy of learning. I absolutely love teaching them.”

EVEN WHEN I was very little, I wanted to do two things: work in science and work with kids.” These goals led Cynthia Wong, seventh grade science teacher, to the University of California at San Diego where she majored in Molecular Biology on a pre-med track to become a pediatrician. In addition to holding a research internship at a biotech facility, she found time to minor in education. In the classroom, during her senior year, it all came together and she discovered her passion. “Teaching just came to me naturally.” Earning a masters degree in education was the next step.

HAVING TAUGHT both high school and middle school, she prefers working with her Huntington seventh graders because at this age they are so curious and enthusiastic. Ms. Wong adds, “they are open and eager to learn.” The students’ intensity and focus while dissecting frogs reveals the excitement.

GOING FORWARD, Cynthia is excited about the curriculum of the next-generation science standards where lessons will require more inquiry and more analysis. Experimentation will lead students to make discoveries on their own. This process does open another learning path, “From time to time you will fail,” she says, “and that’s ‘OK’. The point is to learn from your mistakes, adjust and move forward.” It is the scientific method in action.

BEGINNING HER THIRD YEAR in San Marino, the students have made a real impression. They are kind, they help each other and they show respect. “On my very first day all the students spoke to me and thanked me as they left the room. By day two, students were greeting me by name in the hall!”

101

of San Marino’s 159 teachers hold advanced academic degrees. A ratio that is 65% greater than the typical private school nationally.

BECAUSE OF THE QUALITY OF education in San Marino, as well as parental and community support, the District attracts engaged teachers. This year 415 educators applied for eight open positions across our four campuses.

ROB FOLSOM

HUNTINGTON MIDDLE SCHOOL

“A large majority of Huntington students are involved in the visual or performing arts... it’s the best of both worlds, with the balance of academics and the arts; it’s almost like an arts school.”

ROB FOLSOM joined the Huntington Middle School faculty eighteen years ago as an English teacher. Two years later, when Principal Gary McGuigan launched the orchestra program, Mr. Folsom was the right person at the right time.

A THIRD GENERATION musician, Rob’s grandfather was a tenor and his father played for the Los Angeles Philharmonic, The Hollywood Bowl Orchestra, as well as on countless movie scores and with artists from Frank Sinatra to Michael Jackson. Rob’s own early debut was as concert master in the South Pasadena Middle School Orchestra and through college he played with the American Youth Symphony.

TODAY, HE ENTHUSIASTICALLY shares this passion for music with his students. And his young musicians’ efforts inspire him too. “The kids’ commitment is incredible,” Rob offers, “My students are more dedicated to their instruments and practice than I was at their age...their discipline really impresses me, they work so hard...at a high school level!”

SINCE SAN MARINO is a community with an appreciation for the arts and music, Folsom understands how important a comprehensive arts program is to parents. “The support I receive from parents is unbelievable,” he adds, “they have done so much to make the program a success.” With three music teachers, Huntington Middle School also offers band and choir programs.

THIS YEAR’S EXCITING NEWS: Rob welcomes the addition of Thomas Simpson who expands instrumental music to our elementary students. Now, thanks to a funding partnership of the Foundation, the PTAs and the District, this creative opportunity is available on all campuses.

65%

of Huntington Middle School students are enrolled in visual and performing arts. This year the Middle School Orchestra played at the Lincoln Center in New York City.

A STRONG ARTS EDUCATION promotes the skills children need to be successful. Exposure to art education promotes self-directed learning, and sharpens critical and creative skills.

SAN MARINO SCHOOLS FOUNDATION
Inspiring Excellence.

CASEY DUVALL

SAN MARINO HIGH SCHOOL

“Our students are turned on and ready to learn...they are equipped, organized and disciplined. They are present and engaged...ready for the learning moment”

CASEY DUVALL, Honors English teacher, is committed to interdisciplinary learning. A teacher new to the District last year, Casey encourages his Seniors interested in the sciences, engineering or other fields to explore the connections that tie to class topics. Utilizing a range of presentation methods, his students develop, express and present their work both in person and online. DuVall firmly believes that whatever field they may choose in the future, “the ability to think, synthesize, write and present their thoughts and ideas clearly is critical.”

HONORS ENGLISH CREATES an enriched curricular option for motivated students whose other commitments might preclude the demands of an advanced placement program. Unlike an AP class, with a syllabus firmly tied to the year-end test, an Honors program offers innovative possibilities for the teacher to create a unique learning opportunity. Casey found himself, “blown away by the students’ long-term dedication and high-quality work on each and every assignment.”

THIS PAST YEAR ALSO SAW the addition of a UC-approved Humanities Honors Program taught in partnership with The Huntington Library. Art teacher, Michelle Pauline Bradshaw, English teacher Amanda Hernandez and Dr. Catherine Allgor, The Huntington’s Director of Education, developed a blended, interdisciplinary program that offers a traditional on-campus class, three online lectures and a class at The Huntington Library every week. Each quarter, students also spend one-on-one time with curators involved with their area of study.

EACH YEAR the Foundation’s support enables the District to implement education innovations that broaden and deepen student skills, making them more competitive college applicants.

80%

In 2015, 445 students sat for 958 AP Tests, with a passing rate of 80%. Of those passing, 36% achieved a 5, the highest score.

IN 2015-2016, 98% OF

San Marino’s graduates went on to higher education studies both in California and across the nation.

COACH HOBBIIE

SAN MARINO HIGH SCHOOL

“Our motto is, ‘play hard, play smart, play together.’ Nothing there says anything about talent. If we do those three things we’ll be the best we can be every time we play.”

SAN MARINO just enjoyed its best football season ever. A near perfect 15-1 record took the Titans to their first Rio Hondo League and CIF Central Division Championships in decades, as well as their first State Championship game. Coach Mike Hobbie approaches each season in a straightforward manner, “Play one game at a time. Don’t get too low on the losses, don’t get too high on the wins.” His priority is also clear: “I am there for the players.” Hobbie focuses on playing football and the important life lessons it teaches both on and off the field.

OTHER FIELDS OF PLAY also enjoyed success. All fall sports teams made CIF playoffs. In tennis, Bryce Pereira and Connor Lee won the prestigious Ojai Tournament’s high school doubles title, as well as the CIF-SS doubles title. Zander and Evan Wick, Zander Silva, and Julian Flores were CIF wrestling champs. San Marino celebrates its 2016 All-Americans: Ryan Cheng and Devon Jack for tennis, and J.P. Shohfi for football.

ELEVEN SPEECH AND DEBATE team members competed at the nationals, where Brian Xu and Serena Wang made the final round. San Marino was also named a top ten “School of Outstanding Distinction”, and debate teacher Matt Slimp was named a Double Diamond Coach. For Robotics, this season was its best ever, with the team finishing second out of 50 schools at the Ventura FRC Regional Competition.

SAN MARINO’S TEAMS are a model for both the Foundation and District. With students, teachers, and parents working smarter and harder together, opportunities for academic and extracurricular success will continue.

15-1

In Fall 2015, San Marino High School Varsity Football achieved its winningest season in school and District history.

IN 2015-2016, OVER 200,000 hours were volunteered through the teamwork of parents and community members across all four district campuses.

SAN MARINO SCHOOLS FOUNDATION
Inspiring Excellence.

DR. ALEX CHERNISS

SAN MARINO UNIFIED SCHOOL DISTRICT

“We’re not preparing students just to go to college – we’re preparing them to be successful in college and successful in life. We give them a foundation on which they can build a lifetime. It’s a goal we all achieve together.”

SAN MARINO is the number one achieving school district in the state. Superintendent Cherniss describes this accomplishment with the metaphor of a three-legged stool, “San Marino Schools represent the best of what public schools can and should be. Our success stands because of dedicated teachers, engaged students, as well as, supportive parents and community members. It takes all three.”

THE HALLMARK of the District’s education is depth of understanding and breadth of experience. These twin goals center on developing the intellectual ability to understand, to apply and to extend. The success of San Marino’s students lies in developing these critical thinking skills: connect concepts, synthesize new ideas, apply them to diverse fields and finally to self-critique and self-analysis to continually grow further. The best compliment he hears from returning freshmen is, “I was well prepared for college, in fact, I was better prepared than anyone else in my class.”

DR. CHERNISS also appreciates the impact of the cultural literacy that San Marino students gain from their own families and travels. While attending Los Alamitos High School he joined a German-American exchange program for a similar experience. His family welcomed Jurgen Utz into their Seal Beach home. The next summer Alex joined Jurgen’s family near Stuttgart, Germany. Besides comparing the joys of salsa on tacos versus curry-ketchup on bratwurst, the insights from this cross-cultural journey planted seeds that would blossom into his career in education.

A PRODUCT of public schools, Dr. Cherniss believes in them too, “Teaching our children takes the whole community, and supporting the San Marino Schools Foundation is the best way for everyone to help continue our success.”

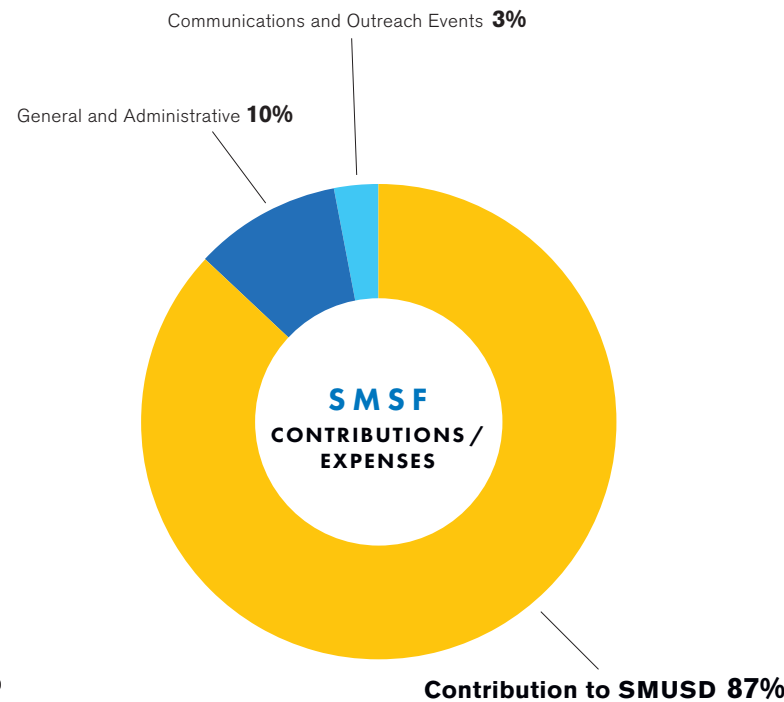

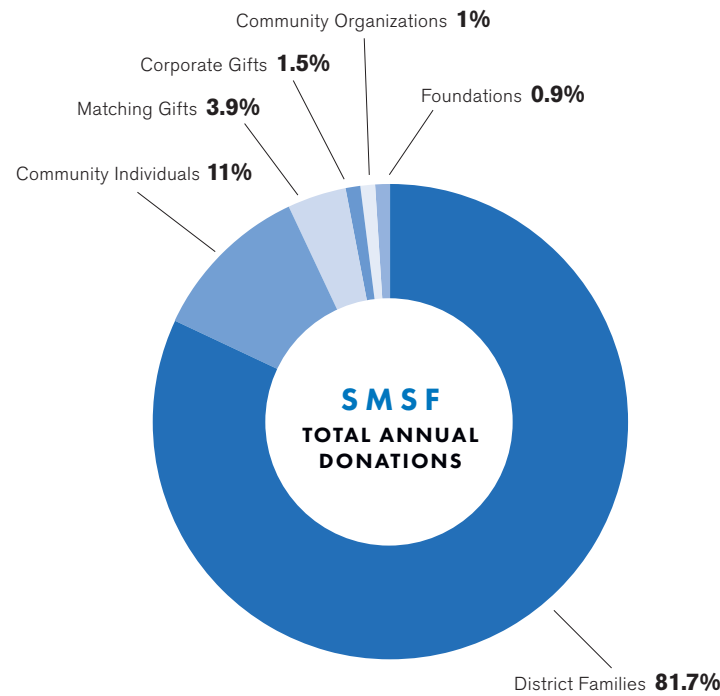

#1

Since 2002, San Marino has been the top achieving unified school district in the State of California.

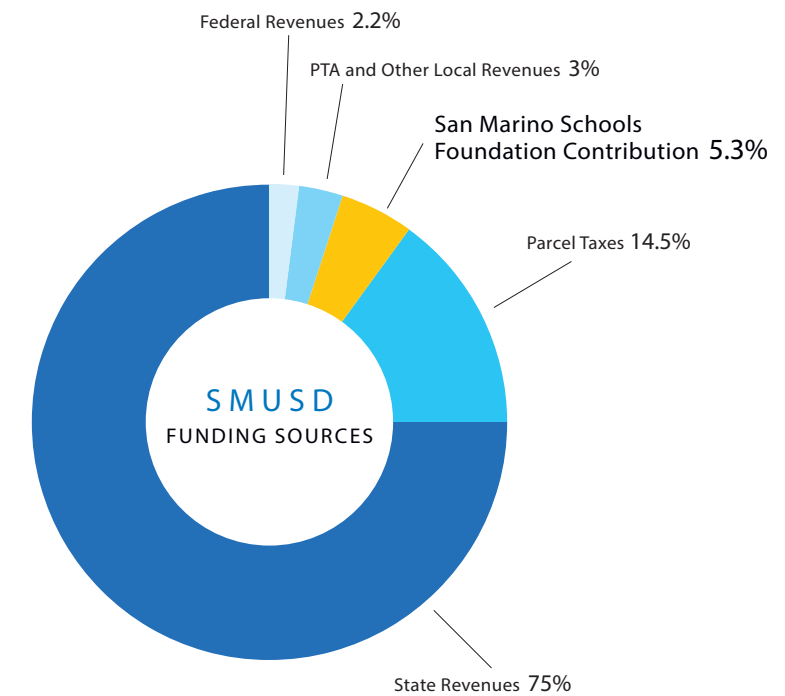

TO MAINTAIN THIS UNIQUE success, it is critical that we all do our part to support our schools and students. Public education may be free, but an exceptional public education is not.

IT TAKES ALL OF US!

IT'S ONE THING to achieve number one, something entirely different to stay number one. When on top there is only one direction to go. Let's avoid complacency and extend San Marino Schools' tremendous record of success.

OUR CITY'S EXCELLENT SCHOOLS result from students, teachers, parents and community all marching together. Standards and outcomes continually rise. Please join this parade of accomplishment and help the San Marino Schools Foundation achieve 100% participation in this year's annual campaign. Only if we all do our part, will our celebration continue.

San Marino continues to be the highest achieving unified school district in the State of California on the statewide standardized testing performance index. SMUSD has held the top standing since 2002.

For 2015-2016 all four San Marino district schools were recognized as CBEE Scholar Honor Roll schools. This is the only recognition program in the state utilizing student achievement outcomes alone as the criteria.

All four San Marino district schools have been recognized as National Blue Ribbon Schools. This award from the U.S. Department of Education honors public and private elementary, middle and high schools where students perform at very high levels of achievement.

Carver, Valentine, Huntington and San Marino High School have all been recognized as California Distinguished Schools. This award is given by the California State Board of Education to public schools that best represent exemplary and quality educational programs.

“THANK YOU to the San Marino Schools Foundation!

For over 35 years, we have been very fortunate to have the Foundation to facilitate the fundraising for our schools. This closes the gap between state funding and the financial support needed for successful schools. The Chinese Club of San Marino is proud to be a partner in this success.”

*Honor Roll: \$2,000 - 2,999 per student enrolled in the District **High Honors: \$3,000 or more per student enrolled in the District

How can you best help our schools?

Each year community members volunteer thousands of hours to make our schools better. Most also generously contribute financial support through SMSF's Annual Campaign. Many still desire to do more.

The Foundation's 2016-2017 Annual Campaign kicked off on July 1. We invite you to renew your annual support by making a **tax deductible Donation or Pledge** through one of the following giving options:

- First Day Packet (available to District families August 3)
- Use enclosed envelope
- Donate online via a credit card at smsf.org
- A customized payment plan arranged through the Foundation office

Additionally, many consider a broader selection of donation options:

Give stock. Optimize your tax deductions by donating appreciated stocks or securities to SMSF.

Matching grants. Many corporations have matching gift or grant programs. It's a fantastic way to double the value of your donation to SMSF. The Foundation received over \$87,000 in matching gifts during 2015-2016.

Celebration or Memorial donations. Celebrate a family member's or friend's success with a celebration donation in their name. Remember a loved one with a contribution to SMSF or establish a memorial fund in their honor.

Real Estate. Give a principal residence to SMSF yet retain use for your lifetime.

Planned giving. Ask your attorney to include SMSF in your Estate Plan.

Donate by June 1st, 2017 to be recognized in our next Annual Report.
